Day 1 Reflections

Three new things I learned about the college admissions process
1.
2.
3.
Three things that I found surprising
1.
2.
3.
Three things that I didn't find surprising
1.
2.
3.
Three ideas that I am improve upon
Three ideas that I can improve upon
1.
2.
3.
Three things that I need to remember to use for my own process
1.
2.
3.

Three things I need to remember not to do when applying
1.
2.
3.
Questions to think about
 How did you feel about grades? How did test scores factor into your discussion? Can an essay compel a committee? Hooks – What are they? How to leverage them? Demonstrated Interest? If you could have helped change a student's application, what would you have done? What about fit?
